a) Changes to the company's articles of association

i) Article 7.1.1 (Authority for the Board of Directors to increase the capital)

The Board of Directors proposes that the authority to increase the capital, stated in article 7.1.1, be renewed for an additional five years since the current authority expires on 25 March 2020.

Thus, the wording of article 7.1.1. is changed to:

"During the period up to 26 March 2025, the Board of Directors is authorised to increase the Company's B share capital on one or several occasions by issuing new shares of a nominal value of up to DKK 60,406,300. The new shares are to be non-negotiable instruments and must be registered in the names of the holders. The increase may be by cash or non-cash contribution in full and may be completed without pre-emption rights for the Company's existing shareholders, provided, however, that A shareholders will always be entitled to subscribe for the required number of B shares required to maintain an ownership interest of not less than 10.1 per cent of the B share capital. Any future capital

increases will be subject to the general restrictions on the negotiability of new B shares and new shareholders' pre-emption rights as provided for by the articles. The Board of Directors will specify the terms governing capital increases."

ii) Article 13.2 (age limit for board members)

The Board of Directors proposes that the articles of association feature an age limit of 70 years for board members, thereby ensuring compliance between the articles of association and the charter of COWIfonden, § 9, subs. 3, which stipulates that board members of COWI Holding A/S are subject to a duty of retirement during the annual general meeting after the end of the financial year in which they attained the age of 70. As a consequence, it is proposed to modify article 13.2 of the company's articles of association by including the following text:

“, but are subject to a duty of retirement during the annual general meeting after the end of the financial year in which they attained the age of 70.”

Thus, the wording of article 13.2 is as follows:

“Members of the Board of Directors will be eligible for re-election, but are subject to a duty of retirement during the annual general meeting after the end of the financial year in which they attained the age of 70.”

a) Authorisation of the chairman.

The Board of Directors moves that the chairman of the general meeting be authorised, with the power of delegation and substitution, to report the adopted resolutions to the Danish Business Authority and to make any changes to these that the Danish Business Authority or other authorities may demand or request be done as a condition for registration or approval, and regularly to carry out and report linguistic and other modifications without any substantive importance of the company's articles of association.
